Dear Mr Singh and Mr Agrawal

**INVITATION TO RECEIVE HEXAGON SAFETY & INFRASTRUCTURE'S ICON AWARDS 2017 AT HxGN LIVE INTERNATIONAL CONFERENCE**

On behalf of Hexagon Safety & Infrastructure (formerly Intergraph Security, Government & Infrastructure), we wish to formally announce that Uttar Pradesh Police have been awarded the Hexagon Safety & Infrastructure's **Icon Awards 2017**. *Congratulations!*

Hexagon Safety & Infrastructure's Icon Awards recognise governments and organisations for their vision and innovation in using our software to significantly benefit their citizens, customers and communities. The Icon Awards are the highest honour for a selected group of customers, and are presented at the **HxGN LIVE** conference every year.

This year, the Icon Awards is handed to the **Uttar Pradesh Police**. You have been recognised for your outstanding innovation and leadership in raising public safety and security standards to benefit the 220 million people in Uttar Pradesh state, India. This came about after successfully implementing one of the world's largest, integrated and centralised emergency operation center at its capital city of Lucknow – which went live on 19 November 2016 – featuring Hexagon Safety & Infrastructure's industry-leading Intergraph® Computer-Aided Dispatch (I/CAD) solution.

We invite you to receive this prestigious award at **HxGN LIVE 2017**, Hexagon's annual global users conference, held on 13-16 June in Las Vegas, Nevada, USA. Widely regarded as an industry-leading forum for industrial and geospatial technologies, **HxGN LIVE** ([hxgnlive.com](http://hxgnlive.com)) presents a community of Hexagon product experts who will share best practices, hands-on training, new innovations and much more.

By accepting the Icon Awards along with other esteemed recipients, Uttar Pradesh Police would be recognised as a world-leading law enforcement agency, representing the best in innovation-led customer and community service. The remarkable success story of Uttar Pradesh Police showcased would also inspire other public safety and security organisations around the world to model and achieve what's truly possible with innovation. In addition, gain, exchange and share knowledge in this international community where industry leaders and colleagues gather to connect and collaborate.

Uttar Pradesh Police would also receive *complimentary three* full conference passes to [HxGN LIVE 2017](#). All business-related travel fares and three-night hotel accommodation would also be borne by Hexagon Safety & Infrastructure.

Furthermore, we wish to highlight what [HxGN LIVE](#) offers. Gain current, practical insights from the educational, technical, demos, hands-on and keynote sessions that address solutions to business and technology challenges facing the industries. Notably, explore The Zone, a key feature of the conference. The technology expo exhibits forward-thinking technologies by over 60 technology partners. So, learn and problem solve with Hexagon's experts and technology partners to drive higher organisational productivity – maximising return on your investment while enhancing own professional development.

Once again, congratulations to Uttar Pradesh Police on being selected as a recipient of Icon Awards, the most prestigious customer honour by Hexagon Safety & Infrastructure. I look forward to welcoming you and your associates to [HxGN LIVE 2017](#), and presenting the Icon Awards to Uttar Pradesh Police.

I would appreciate it if you could RSVP to Tapan Sharma by Friday 05 May 2017. We are happy to assist you if you need further information. Tapan Sharma can be reached at [tapan.sharma@hexagonsi.com](mailto:tapan.sharma@hexagonsi.com) or +91 98 1192 3291. Thank you.
